Billing Address, if different

Requested Technics model list / notes

Tax Exemption Certificate Required

A valid tax exemption certificate must be uploaded through the Secure Tax Certificate Intake link on the Technics setup page before the wholesale dealer setup request can be submitted.

No tax certificate means the dealer cannot be processed for authorized wholesale setup.

Tax exempt: ☐ Yes ☐ No

Tax certificate uploaded: ☐ Yes ☐ No

Upload the valid tax exemption certificate through the Secure Tax Certificate Intake link on the Technics setup page.

Acknowledgment, Routing, and Buyer Approval

Review the concise setup acknowledgments, then complete the buyer approval fields.

Acknowledgments

- Dealer margin: 40% where approved by Technics / Panasonic program terms.
- DVD players may be included where appropriate but do not count toward commission.
- A valid tax exemption certificate is required before wholesale dealer setup can be submitted.
- Completed setup PDF should be attached to the prepared email to the assigned field representative.
- Assigned rep will review and coordinate setup with Technics / Panasonic.
- Scowcroft remains visible for follow-up and commission tracking.
- Submission does not guarantee approval until processed by Technics / Panasonic.

Routing instruction

Upload the valid tax exemption certificate through the Secure Tax Certificate Intake link on the Technics setup page. Then attach the completed setup PDF to the prepared email and send it to your assigned field representative.

Buyer Approval

Authorized Buyer Name - enter full name

Title

Authorized Buyer Initials

Date

By entering your full name above, you authorize the setup request. Initials acknowledge the tax certificate and routing requirement.
